Re: Invitation to Endorse Canadian Interfaith Call for Leadership and Action on Climate Change

Dear Rev. Bruce Adema,

Thank you for this invitation to take action together with other Faith Communities on Climate Change. The Canadian Unitarians For Social Justice would be pleased to endorse your petition and have our name listed as supporting this important cause.

In particular, Canadian Unitarians For Social Justice are calling for Canada to slow down its development plans for the tar sands until we see concrete evidence that they can and are cleaning up the tailings ponds, and until they can develop a less greenhouse gas intensive process for developing that resource. We would like to see a much stronger emphasis on renewable low-emission energy strategies of all types.

Should you wish to contact me personally for any reason, my phone number is 613-747-7584.

In Faith,

Rev. Frances Deverell,  
President,  
Canadian Unitarians For Social Justice
